PRESIDENT'S MESSAGE

Austin, TX. 78757

Dear Fellow Members:

The 1985 TNA convention held this year in El Paso is now history. Those who were unable to attend missed a fine convention. The bourse room was amply spacious, there were a large number of dealers from all parts of the United States - from Maine to California and from Minnesota to Texas - and they had with them coins to please most any palate or pocketbook. The exhibits were outstanding though there were not as many as we would like to have had. The exhibit from the Bureau of Engraving and Printing was most interesting and informative. We are certainly grateful to them for making their unusual exhibit available. As one might anticipate, the host club, International Coin Club of El Paso, was certainly hospitable. Walt Woelper did an excellent job as bourse chairman as did Mike Batkin who served as exhibits chairman. Willie Terrazas was ever present performing yeoman service whenever needed. I wish I knew all those who served so willingly; since I do not, I will simply have to extend my heartfelt thanks to those who worked so hard to give TNA such a

fine convention, and one which we will remember for a long time to come.

One thing regarding the convention which did disappoint me greatly was the **very poor** turnout for the Educational Forum. The host club, the convention coordinator, and others go to great lengths to have informed speakers who have information of interest to a broad cross-section of collectors and numismatists. Chet Krause and Colin Bruce, both of Krause Publications were scheduled to deliver an address. Also scheduled, was L. Paul Blackmer Jr., assistant director (Administration), of the Bureau of Engraving & Printing, who spoke on the printing of United States currency. There were fewer than 10 people in attendance to hear the talk given by Paul Blackmer. The attendance was so poor that Chet Krause and Colin Bruce did not even speak. They felt it was hardly worth it. I, for one, was disappointed that Chet and Colin did not speak since I was very much looking forward to it. Mr. Blackmer's talk was most entertaining and informative. To say the least, I was embarrassed for TNA to think

TNA CELEBRATES 25TH ANNIVERSARY, NEW OFFICERS INSTALLED FOR 85-87

Western lore and the romance of Mexico lured thousands of coin collectors, dealers and guests to El Paso, Texas to celebrate the 25th anniversary of the Texas Numismatic Association.

El Paso's International Coin Club hosted the annual convention on April 19, 20, 21 at El Paso Civic Center and Downtown Holiday Inn.

Friday at 9 a.m., the Honorable Mayor of El Paso, Jonathon Rogers, and TNA President Lyman C. Bartee officially welcomed convention guests with a blue-ribbon ceremony accompanied by Richard Worthington, club president; Marlin Haines, club vice president; and Walt Woelper, governor of TNA District 10.

New officers were elected and installed to serve TNA for the next two years. Mac Kennady of Austin was named president; Gerald Kendall, Houston, 1st vice president; John Huntley, College Station, 2nd vice president; Eleanor Kennady, Austin, secretary; and Jerry Williams, Beaumont, treasurer.

Elected TNA goverors included Morris L. Johnson, Stephenville, District 1; Dick Dollen, Abilene, District 3; Dr. Robert E. Greenwood, Austin, District 4; Paul Garner, Dallas, District 5; Chris Johns, Houston, District 6; Frank Galindo, San Antonio, District 7.

Also, Joe B. Davis, Corpus Christi, District 8; E. Lamonte Pitzer, Levelland, District 9; Walt Woelper, El Paso, District 10; Nela Runkel, Amarillo, District 11; T.J. Bennington, Tyler, District 12; and Ada Lee Chisum, Pharr, District 14.

Appointed by the new president to fill district governor vacancies were Gus Ganze, Odessa, District 2; Ray Whyborn, Seymour, District 13; and Dewey L. Scott, Beaumont, District 15. The District 16 governor will be named at a later date.

President Kennady announced the appointment of Miriam Gilmore, San Antonio, as TNA NEWS editor who has held that position since 1963. Others appointed were Todd Shewmaker, Boerne, youth chairman; Elleta Havens, Ft. Worth, librarian; Katherine Mears, Arlington, historian; Howard W. Luke, Ft. Worth, medals; Karla Galindo, San Antonio, ANA representative; Lyman C. Bartee, Austin, retiring TNA president, convention coordinator; and David Nunn, Waxahachie, display cases. Still to be appointed are parliamentarian and legal advisor.

A TIME TO REMEMBER

Highlighting the TNA 25th anniversary celebration was an informal

luncheon on Saturday attended by 30 guests including old timers who were at the first meeting in Port Lavaca on January 10, 1960 - Joe B. Davis, who served as the first president, and Chris Johns, founding member.

Guests reminisced about the early days of TNA and related personal experiences. Principal participants were Chris Johns, Joe B. Davis, Robert E. (Bob) Medlar, Lyman C. Barte and Mac Kennady.

A special thank you was extended to Medlar, San Antonio; Colonial Coins, Inc., Royal Coins, Wayne Imbrogno, all of Houston, and Houston Numismatic Exchange, Inc. for providing appropriate door prizes. Also to Frank Galindo who prepared the art work for the printed programs and souvenir cards. In charge of luncheon arrangements were Miriam Gilmore and Chris Johns.

SATURDAY BREAKFAST

TNA district governors and club representatives assembled at 8 a.m. Saturday for breakfast and round-table discussion on points of interest to TNA clubs, and numismatics in general.

Gerald Kendall, 2nd vice president, conducted the meeting at which time the winners of special awards were announced. Eleanor Kennady won the VIP award for enrolling the most new members in TNA. Club Salute winners were Ft. Worth Coin Club, 1st; Stephenville Coin Club, 2nd; and South Plains

Coin Club (Lubbock), 3rd. Honorable Mention went to Garland Coin Club. This award honors the three top Texas clubs and winners were selected from activity resumes for the year. The Stephenville club also received the Col. Raymond Darrah award for having the most TNA members as club members, percentage-wise.

The Austin Coin Club provides the Club Salute awards and the Darrah award is furnished by Morris L. Johnson and the Ft. Worth Coin Club. However, it was noted by both clubs that if response is not greater for 1985, both awards will be discontinued.

One important point under discussion was that clubs need to be informed of services offered by TNA and urged to participate. TNA has a circulating library of books and slide sets, easy-to-use meeting report forms for sending club and member news to the TNA NEWS editor. Also, the TNA secretary needs to know when and where the clubs meet and a list of current officers. A form to fill in with that information is enclosed with dues notices and it is very important that the TNA secretary receive this. The responsibility of informing clubs about TNA and what is offered rests with the governors and club representatives (Study TNA By-laws)

Ken Bresset, representing the American Numismatic Association, and Chet Krause and Colin Bruce of Krause Publications, Inc., were special guests.

AWARDS BREAKFAST

Climaxing the TNA convention activities was the Sunday morning breakfast at which time special awards are presented honoring TNA members and numismatic exhibitors.

Karla Galindo of San Antonio was not present to receive the coveted Lewis M. Reagan Memorial award for having contributed the most to Texas numismatics during 1984. The Kalvert K. Tidwell award given for the best article published in **TNA NEWS** went to Lyman C. Bartee. Honorable Mention was awarded Del Cooke, Lee Grossman and Tom Walker, all of San Antonio; Frank Clark, Dallas; and J.P. Jones, Waco.

Lloyd Colvin of Amarillo was recipient of a past president's plaque but was not present. Colvin served for three and a half years before retiring due to illness in the family.

Chris Johns, Houston; Chet Krause, Iola, Wisc.; and Graves Rouse, Victoria, were named to the Texas Numismatic Hall of Fame joining Miriam Gilmore, Joe B. Davis, Lyman C. Bartee, Margo Russell, Augusta Folda, Virgil Hancock, Ellis Brooks and John Hill.

Mike Batkin, exhibits chariman, announced first place winners and special awards. Best in show, the Joe B. Davis award (best in Mexican coinage), 1st in Class I and Class IV, all were won by Willie F. Terrazas of El Paso with exhibits of "Liberty Stands Up For America" and "Historic Gold Coins of Mexico."

Michael Bernstein, El Paso, received the Richard H. Schweers

award for best in ancient coinage and 1st place in Class V. His exhibit was entitled "Images of Egypt." The Schweers award is provided by Greater Houston Coin Club.

A new award - the Robert E. Medlar best in currency - was introduced at the 1985 convention and Homer Dotts, Amarillo, received the honor along with 1st place in Class II. His exhibit described "Radar Notes."

D.O. Joplin, Levelland, won 1st in Class VII with "Hay Market Riot Tokens" and 1st in Class IX went to Dr. John Grost, El Paso, with an unusual exhibit on "Leper Money - Money From Fear." No awards were given in Classes III, VI and VIII due to low scoring and no second and third places were awarded in any category.

The auction, conducted by Larry Hanks & Associates, Inc. of El Paso on Saturday night, was reported as outstanding with rare and choice coins offered. Lot #351, an 1884 choice, original proof, Trade Dollar from the estate of Brett Simon was purchased with a bid of \$50,000.

Paul Blackmer Jr., assistant director at the Bureau of Engraving & Printing Co., spoke at the educational program. The Bureau and the Postal Service complimented the TNA convention activities with exhibits from their departments including the operation of the Spider Press which attracted the many people strolling through the Civic Center.

Nineteen states and Texas were represented by 150 dealers. Good

sales were reported and many new collectors were introduced to the hobby.

Thursday night found dealers and guests boarding buses for a scenic drive to the home of Mr. and Mrs. Larry Hanks in a western suburb of El Paso. Guests were treated to an old-fashioned barbecue complete with a lively western band.

A different twist in entertainment was offered on Friday night—a visit to Old Mexico, dinner in the Jockey Club and an opportunity for out-of-townners to attend the popular greyhound dog races. Following the 7th race, the winner, "Hazel Carry," a sleek greyhound owned by Henry B. Cook and trained by Frank Vasquez, expressed a wish to join TNA officers and charter members in the winner's circle for a photo session!

Many convention guests took advantage of the historic and scenic tours scheduled in and around El Paso and Juarez, Mexico.

BUSINESS SESSIONS

The Saturday morning TNA governing board meeting was conducted by President Bartee. The minutes of previous meetings and the treasurer's report were read and approved.

The long standing problem of receiving TNA NEWS by 3rd Class mail remains with the association. Some members are receiving the NEWS late in the month, some in the first part of the following month.

Much investigation has been conducted in the last 20 or so years. The problem has no immediate answer. The fault is not with the editor or the publisher, but with the U.S. post office in certain areas. The TNA NEWS is mailed by the 5th of each month, some months by the 3rd. The originating post office has 3 days to process that material. Next, the Distribution Point has 3 days to process, the local post office has 3 days—provided the mail bags are not pushed aside at the different points. In some parts of the country, dated circulars must be delivered on a certain day, delaying the NEWS again.

If the TNA NEWS is mailed on the 5th of the month, add a minimum (possibly more) of 9 days. It should be received by the 14th or 15th. If delivery is normal it SHOULD be delivered within 7 days, by the 12th.

In other business, the board approved life membership status for Thomas S. Bradley of Charlotte, N.C.; Rita Holmes, Brackettville; Ed Hipps, Dallas, and Dallas Coin Club.

Miriam Gilmore, chairperson of TNA's participation in Texas 1986 Sesquicentennial celebration, gave an updated progress report on the various projects. Approval to issue a cachet with wooden money was given. Frank Galindo is executing the design and it will be presented at the mid year TNA board meeting for approval.

Lyman C. Bartee installed the new officers at the TNA general meeting on Sunday morning.

At the brief business meeting, 825

was voted as a donation to the Robert Rosberg reward fund. Mr. Rosberg was slain in his Arlington coin shop in March and to date no suspect(s) had been identified. The reward fund will be held for two years and if the person responsible has not been apprehended in that time, all contributions will be transferred to Crime Stoppers.

The incoming president, Mac Kennedy, expressed his appreciation for members' support in the past and hoped for continued support in the future. One of the goals proposed by Kennedy is to increase membership 15 per cent in the coming year, increase membership 15 per cent in the coming year.

Richard Worthington, club president, was convention general chairman. Assisting as committee chairmen were Walt Woelper, TNA District 10 governor, bourse; Mike Batkin, exhibits; George Nowak, registration; Willie Terrazas, club sergeant at arms, entertainment.

And, Rudy Armendariz, board member, program; Larry Bettis, advertising; and Marlin Haines, club vice president, auction.

Other club officers are Arthur La Capriz Jr., treasurer; Donald Lau, secretary; Bill Spencer, historian; and Jim Few, Mary Lau, Clyde Blair and Steve Jones, board members.

The International Coin Club, organized in the early 1960s, meets the 1st and 3rd Thursdays at the El Paso Teacher's Association Bldg., 6632 Continental. Visitors are welcome.

Plans are underway by members of the Ft. Worth Coin Club to host the 1986 TNA convention to include Texas Sesquicentennial activities. This event will be held May 23, 24, 25 at Tarrant County Convention Center in downtown Ft. Worth, Texas.

R. E. (Bob) Slocum is bourse chairman. Make table reservations early! Write Slocum at 6732 Fortune Rd., Ft. Worth 76116.

If you have not already done so, I encourage you to respond with a donation to the Bob Rosberg Reward Fund. In case you don't already know, Bob had a coin and stamp shop in Arlington and on March 27, 1985 he was murdered and robbed of a great quantity of coins and stamps. A reward fund has been established hoping that the fund will lead to the capture and conviction of those responsible for this dastardly deed. Eleanor and I have made our contribution, as has TNA. Won't you? The May 1985 issue of TNA NEWS has more information regarding this. If you can't find your copy, send your contribution to me, or to the secretary, and we will see that it gets to the proper person. This terrible incident makes you realize how very vulnerable we coin collectors and dealers really are.

1985 is slipping away quickly and quietly. 1986 will blossom out before we realize it. That indicates we must immediately start clicking with only six months to go.

The Texas Numismatic Association has been planning for two years to become a part of the Texas 1986 Sesquicentennial celebration. Committees have been appointed and are working.

Let's review:

We're one step ahead in our planning. The proposed silver and bronze commemorative medal appeared on the scene in February. The 100 silver medals issued were sold out by April and more are being struck. There are a few bronze left. Place your order with Howard Luke, 2120 David Dr., Ft. Worth 76111.

Approval has been given by the TNA board to issue a cachet with wooden money. Frank Galindo is now working on the design which will be presented for approval at the September TNA board meeting.

Karla Galindo and Joe B. Davis are compiling the numismatic history of Texas. The early days are important to remember. We do know that the Dallas Coin Club was organized in 1928 and it's the oldest Texas club still meeting as far as we can determine. This committee

needs information on clubs, dealers, collectors and items of interest pertaining to Texas numismatics. Please send to Karla, Box 12217, San Antonio 78212 as soon as you can if you and your club wish to be included.

Another very important area concerns Texas money (coins, currency, tokens, medals) and Texas memorabilia. Al Loja and Walt Woelper are in charge of assembling a traveling exhibit which at the close of the Sesquicentennial celebration will be placed in a permanent location selected by TNA. We need donations of material for this exhibit - not on loan - as this exhibit will be donated to some institution. Please send what you can, and immediately - to Al Loja, 2022 Ottawa Lane, Houston 77043 or to Miriam Gilmore (address above). We must get this job done right away! This exhibit has been reserved for the month of January 1986 at Kelly Air Force Base in San Antonio and early May in Levelland for a Sesquicentennial celebration to then be transported to Ft. Worth for the TNA convention later in the month. If you want this exhibit during 1986, reserve it **NOW**. Don't forget to ask your club members and friends to please search their collections for items to donate. This is very

important - don't delay

Chris Johns needs your support in the club projects coming up. Have you given or will you give a program at your club meeting on Texas money? Have you or will you exhibit (at a coin show, convention, city-county state celebration, library, bank, museum, anywhere) Texas money? Is your club issuing any kind of commemorative souvenir medal, token, woods? If you answer yes to any of the above, let Chris know right away at Box 90156, Houston 77090. If your answer is no then start your plans now to do so.

At the Ft. Worth 1986 TNA convention there will be a special exhibit category covering displays using Texas money and the Sesquicentennial theme. A special award is planned apart from the regular TNA exhibit awards, and you'll still be eligible to compete in the other categories. Start working on your exhibit now - make a trial run at your local show, some event in your city or at your club meeting. Several Texas displays were shown at ANA in San Antonio, the El Paso TNA convention and the Gateway Coin show in San Antonio.

A special award will be given at the 1987 TNA convention in San Antonio for the best article on Texas money published in **TNA NEWS** beginning with the July 1985 issue and ending with the December 1986 issue. Get pen and paper in hand and get started. Send your articles to Miriam Gilmore, **TNA NEWS** editor as soon as you can.

The above two special awards are being selected by Jerry Williams of

Beaumont and should be unique. Winners will be proud to receive them.

Nela Runkle needs to fill up the Sesquicentennial scrapbook but is unable to unless you send clippings, souvenirs, etc. to her. Her address is 1304 Jennie Ave., Amarillo 79106.

Gerald Kendall reports he already has lined up two speakers for the 1986 TNA educational program. Subject? What else? Texas money. We know this program will top all and we're counting on good attendance.

Your city must have a library, museum, bank or other public location which maintains a money exhibit. Let Norma Mather know the location, hours open to the public and what the exhibit consists of. Write her at 1300 Border Ave., #241, Weslaco 78596. Norma is preparing a booklet on the above for traveling Texans and needs this information **NOW**. Start calling around in your city and see what you can come up with. Hurry!

Rita Holmes of Brackettville has her job cut out for her by contacting major cities, the Texas governor and the President of the United States for proclamations designating 1986 as **COIN YEAR IN TEXAS**. Anyone who can take care of this in their city will certainly be helping Rita in her project. Let her know at Box 1106, Brackettville 78832.

Do you want to wish Texas "Happy Birthday" in 1986? **TNA NEWS** is planning a super edition in April for the TNA convention. The convention will be in May but the big

El Paso's first but, hopefully, not last TNA convention is over. It's now time for the bouquets and brick hats to be thrown. Personally, I did not see a great part of the show but all but one of the dealers which visited with me said he had a good show. Almost all of my time was taken with work or with meetings. I did not have any time to visit the bourse area as a collector buyer.

At this time I wish to express my thanks to all of you who took the time to cast a ballot. We have some 1,200 members and the total number of ballots was 138; exactly 11.5 per cent. The new president has not asked for a 100 per cent increase in our membership ranks; only a 15% increase which is not at all unreasonable. This means that only 180 of us must bring a new member into TNA.

We must all work to support TNA in all facets of its function. We have some new governors who are getting their feet wet as a member of the TNA board. Also, every one of the upper officers, except the secretary,

will be new in his office.

It is not too early to start thinking about the 1986 show in Ft. Worth. This is the Sesquicentennial year and TNA is a part of this celebration. Also, a part of this 150th anniversary will be made by TNA. If any of you have anything to contribute toward the success of the show, please contact our **TNA NEWS** editor, Miriam. I'm sure she can find a place for your efforts.

The annual pilgrimage to ANA is just around the corner. This year it will be Baltimore, Maryland. Baltimore is just across the river from Washington, D.C. and those of you who have never seen our nation's capitol will get a good cross section of it from the tours which have been scheduled. Also, it will be a good time to visit the Smithsonian. For a person to do justice to all the exhibits there, he would have to spend over 100 years viewing everything. We have covered the main projects planned for TNA's Sesquicentennial celebration. We're still open for suggestions and, above all, for this to be counted as a monumental success, we need your assistance and cooperation. We'll find a place for you on some committee, so don't let your talent lay by the roadside. To our knowledge, this is the first time a numismatic organization has undertaken on such a gigantic state-wide project, so it's urgent that you respond with your help now. A CHALLENGE!

El Paso is now history. Next year in Ft. Worth we will all meet again.

Now let's talk about club awards. There is the Club Salute, 1st, 2nd and 3rd places and the COL. RAYMOND DARRAH award. In the past few years it seems these go to the same few clubs each year. In fact, the past two years (at Amarillo and El Paso) three of these four awards went to the same two clubs in the same district. Are these two clubs best in the Texas Numismatic Association?

There are very few clubs who have elected officers and TNA club representatives doing their job and spending a few minutes trying to hang a trophy on the wall.

Let's get more clubs in these programs. I am sure that the Stephenville Coin Club and the Ft. Worth Coin Club will again enjoy hanging these trophies next year if others do not participate.

Only you can prevent two of my clubs from doing this. YES, THIS IS A CHALLENGE! Morris L. Johnson, TNA District I Governor

ALAMO CLUB CELEBRATES 25TH

Members of Alamo Coin Club of San Antonio have issued a commemorative wooden 'crown' in celebration of the club's 25th anniversary. The design, by Harold Eisleroh, features a model of The Alamo on the obverse.

The club was organized in the spring of 1960 with 50 charter members. The late Dr. Robert C. Gaskill served as the first president.

To obtain a souvenir wood, send 50¢ for each one and a SASE envelope to Alamo Coin Club, Box 32441, San Antonio 78216.

SOUVENIR CARD

To commemorate the International Paper Money Show held in June, the Bureau of Engraving & Printing issued a souvenir card featuring the reverse of the \$10,000 Series 1878 United States note.

U.S. notes have had a controversial history. The original proposal in 1861 to make government notes legal tender met with a great deal of opposition in both the House and the

Senate. The Supreme Court upheld the position of opponents to the bill, stating that the issue of legal tender notes was forbidden under the Constitution and ruling that this measure could only be used on an emergency basis. This ruling was later reversed. U.S. Notes have been issued since 1862 and are still a part of the monetary system of the United States.
